**INTERGOVERNMENTAL AGREEMENT**

BETWEEN

THE STATE OF ARIZONA

AND

THE CITY OF BULLHEAD CITY

THIS AGREEMENT is entered into 15 AUGUST, 1995, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and the CITY OF BULLHEAD CITY, acting by and through its MAYOR and CITY COUNCIL (the "City").

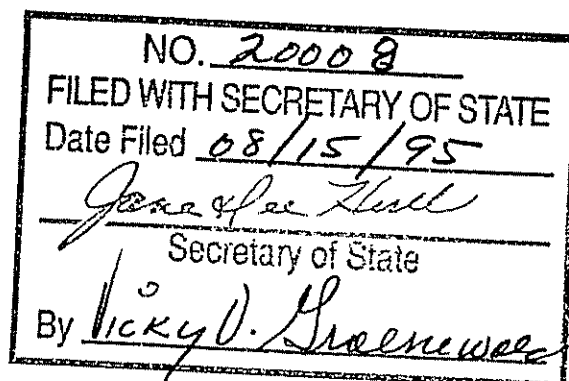

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-108 and 28-112 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.

2. The City is empowered by Arizona Revised Statutes Section 48-572 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.

3. Congress has authorized appropriations for, but not limited to, the construction of streets and primary, feeder and farm-to-market roads; the replacement of bridges; the elimination of roadside obstacles; and the application of pavement markings.

4. Such project within the boundary of the City has been selected by the City; the field survey of the project has been completed; and the plans, estimates and specifications have been prepared and, as required, submitted to the Federal Highway Administration (FHWA) for its approval.

5. The only interest of the State in the project is in the acquisition of federal funds for the use and benefit of the City by reason of federal law and regulations under which funds for the project are authorized to be expended.

6. The City, in order to obtain federal funds for the construction of the project, is willing to provide City funds to match federal funds in the ratio required or as finally fixed and determined by the City and FHWA.

7. The work embraced in this agreement and the estimated cost are as follows: Intersection improvements.

Estimated Project Cost	\$ 367,758.00
Federal Aid Funds @ 94.3% (CAP of \$372,187.00)	\$ 346,796.00
City Funds @ 5.7%	\$ 20,962.00
Const. Engr. costs @ 15% of \$367,758.00	\$ 55,164.00
Const. Engr. eligible for FA \$26,926.00 @ 94.3%	\$ 25,391.00
City Const. Engr. contribution @ 100%	\$ 29,773.00
Five Percent Surcharge On Construction Amount	\$ 18,388.00*
Total Bullhead City Funds	\$ 69,123.00

\* - This includes a five percent surcharge per Local Government Engineer Memo of 4 April 1994.

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

## II. SCOPE OF WORK

1. The State shall submit a program containing the aforementioned project to FHWA with the recommendation that it be approved for construction.

a. If such project is approved for construction by FHWA and the funds are available for construction of the project, the State, as authorized agent for the City, with the aid and consent of the City and the FHWA will proceed to advertise for, receive and open bids, and subject to the concurrence of the City and the FHWA, enter into a contract with a firm to whom the award is made for the construction of the project; such project to be performed, completed, accepted and paid for in accordance with the instructions and requirements of the City and the Standard Specifications for Road and Bridge Construction of the Arizona Department of Transportation. The State will enter into a Project Agreement with FHWA covering the work embraced in said construction contract and will request the maximum federal funds available.

b. Should unforeseen conditions or circumstances increase the cost of said work required by a change in the extent or scope of the work called for in this agreement, upon the concurrence of the City of the requirement for such increase, the City shall be obligated to incur such expenditure in excess.

2. Prior to the solicitation of bids, the City shall deposit funds in the amount determined to be necessary to match federal funds in the ratio required.

3. The City shall acquire, without cost to the State, the necessary right-of-way and hereby certifies that all necessary rights-of-way have been acquired.

4. The City shall remove from the proposed right-of-way all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the roadway, and hereby certifies that all obstructions and encroachments have been removed therefrom, prior to the start of construction.

5. The City shall not permit or allow any encroachments, except those authorized by permit, upon, or private use of, the right of way. In the event of any unauthorized encroachment or improper use, the City shall take all necessary steps to remove or prevent any such encroachment or use; failing in which the State shall have the right to proceed with the removal or prevention thereof, the cost of such removal or prevention to be borne by the City.

6. Upon completion of construction, the City shall provide for, at its own cost and as an annual item in its budget, proper maintenance, including, but not limited to, traffic signals, signs, islands, curbs and markings necessary for the purpose of regulating, warning and guiding traffic.

7. The City shall mark and sign school crossings and railway-highway grade crossings in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways.

8. By such regulation as it may by ordinance provide, the City shall regulate parking and not permit vehicles to be left on the street in any manner other than at and parallel with the curb and to restrict parking so as to prevent conflicts with moving traffic at intersections and at such other locations as necessary.

### III. MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement. The City assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the City and that the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation or attorneys' fees.

2. The cost of the design, construction and construction engineering work covered by this agreement is to be borne by FHWA and City, each in the proportion prescribed or as fixed and determined by the State, the City and the FHWA as stipulated in this agreement. Therefore, City agrees to furnish and provide the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. This agreement shall remain in force and effect until completion of the work; provided, however, that any provisions in this agreement for maintenance shall be perpetual, unless assumed by another governmental entity.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

7. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

8. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:

Department of Transportation  
Joint Project Administration  
205 S. 17th Avenue - 616E  
Phoenix, AZ 85007

City of Bullhead City  
City Manager  
1255 Marina Street  
Bullhead City, AZ 86442

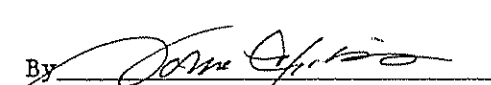

9. Attached hereto and incorporated herein is the written determination of each party's legal counsel that the parties are authorized under the laws of this state to enter into this agreement and that the agreement is in proper form.

IN WITNESS WHEREOF, the parties have executed this agreement the day and year first above written.
